Code	Name	Description	DFlag	SNum
A	1:10,000	Scale of the related map or photo is known to be 1:10,000 (discrete value)	Y	1
B	1:12,000	Scale of the related map or photo is known to be 1:12,000 (discrete value)	Y	2
C	1:15,000	Scale of the related map or photo is known to be 1:15,000 (discrete value)	Y	3
D	1:20,000	Scale of the related map or photo is known to be 1:20,000 (discrete value). Used in standard topographic quadrangles of 7.5 X 7.5 minutes	Y	4
E	1:24,000	Scale of the related map or photo is known to be 1:24,000 (discrete value). Used in standard topographic quadrangles of 7.5 X 7.5 minutes	Y	5
F	1:25,000	Scale of the related map or photo is known to be 1:25,000 (discrete value). Used in standard topographic quadrangles of 7.5 X 7.5 minutes and 7.5 X 15 minutes	Y	6
G	1:50,000	Scale of the related map or photo is known to be 1:50,000 (discrete value). Used in standard topographic quadrangles of 15 X 15 minutes and some county maps	Y	7
H	1:62,500	Scale of the related map or photo is known to be 1:62,500 (discrete value)	Y	8
I	1:63,360	Scale of the related map or photo is known to be 1:63,360 (discrete value). Used in standard topographic quadrangles of 15 X 15 minutes	Y	9
J	1:100,000	Scale of the related map or photo is known to be 1:100,000 (discrete value). Used in some county maps	Y	10
K	1:125,000	Scale of the related map or photo is known to be 1:125,000 (discrete value)	Y	11
L	1:250,000	Scale of the related map or photo is known to be 1:250,000 (discrete value). Used in ecological inventory maps and Alaska boundary series maps	Y	12
M	1:500,000	Scale of the related map or photo is known to be 1:500,000 (discrete value). Used in state maps with no contours and state maps with topographic or shaded relief	Y	13
N	1:1,000,000	Scale of the related map or photo is known to be 1:1,000,000 (discrete value). Used in state maps with no contours, black only	Y	14
O	1:1,584,000	Scale of the related map or photo is known to be 1:1,584,000 (discrete value). Used in Alaska state maps (base and/or topographic)	Y	15
P	1:2,500,000	Scale of the related map or photo is known to be 1:2,500,000 (discrete value). Used in U.S. Base Map series 2-A, 2-B and in Alaska state maps (base, topographic, or shaded relief)	Y	16
Q	1:3,168,000	Scale of the related map or photo is known to be 1:3,168,000 (discrete value). Used in U.S. Base Map series 3-A, 3-B and in U.S. Federal Aid Highway Map series 10-B	Y	17
R	1:4,000,000	Scale of the related map or photo is known to be 1:4,000,000 (discrete value). Used in Maps produced for Indian Land areas that are judicially established	Y	18
S	1:5,000,000	Scale of the related map or photo is known to be 1:5,000,000 (discrete value). Used in U.S. Outline Map series 5-B, 5-D, 5-E and in Alaska Federal conservation map	Y	19
T	1:6,000,000	Scale of the related map or photo is known to be 1:6,000,000 (discrete value). Used in U.S. Base Map series 6-A	Y	20

Code	Name	Description	DFlag	SNum
U	1:7,000,000	Scale of the related map or photo is known to be 1:7,000,000 (discrete value). Used in U.S. Base Map series 7-A, 7-B and in U.S. Physical Division Map series 7-C	Y	21
V	1:8,300,000	Scale of the related map or photo is known to be 1:8,300,000 (discrete value). Used in U.S. Base Map series 8-A	Y	22
W	1:10,000,000	Scale of the related map or photo is known to be 1:10,000,000 (discrete value). Used in U.S. Base Map series 10-A and in North America Map series 10-B	Y	23
X	1:11,875,000	Scale of the related map or photo is known to be 1:11,875,000 (discrete value). Used in U.S. Base Map series 11-A	Y	24
Y	1:16,500,000	Scale of the related map or photo is known to be 1:16,500,000 (discrete value). Used in U.S. Base Map series 16-A	Y	25
Z	1:35,000,000	Scale of the related map or photo is known to be 1:35,000,000 (discrete value). Used in Political map of the world, 41 X 22 seconds	Y	26
AA	1:39,000,000	Scale of the related map or photo is known to be 1:39,000,000 (discrete value). Used in World seismicity map, 48 X 36 seconds	Y	27
AB	1:40,000,000	Scale of the related map or photo is known to be 1:40,000,000 (discrete value). Used in Outline map of the world, 48 X 33 seconds	Y	28
AC	1:80,000,000	Scale of the related map or photo is known to be 1:80,000,000 (discrete value). Used in Outline map of the world, 25 X 18 seconds	Y	29
1	<= 1:500	Scale of the related map or photo is either less than or equal to 1:500	Y	30
2	1:501 - 1:5,000	Scale of the related map or photo is not provided as a DISCRETE value in this list but is within the RANGE of 1:501 to 1:5,000	Y	31
3	1:5,001 - 1:10,000	Scale of the related map or photo is not provided as a DISCRETE value in this list but is within the RANGE of 1:5,001 to 1:10,000 (note: discrete scale values listed in this range include 1:10,000)	Y	32
4	1:10,001 - 1:15,000	Scale of the related map or photo is not provided as a DISCRETE value in this list but is within the RANGE of 1:10,001 to 1:15,000 (note: discrete scale values listed in this range include 1:12,000 and 1:15,000)	Y	33
5	1:15,001 - 1:20,000	Scale of the related map or photo is not provided as a DISCRETE value in this list but is within the RANGE of 1:15,001 to 1:20,000 (note: discrete scale values listed in this range include 1:20,000)	Y	34
6	1:20,001 - 1:25,000	Scale of the related map or photo is not provided as a DISCRETE value in this list but is within the RANGE of 1:20,001 to 1:25,000 (note: discrete scale values listed in this range include 1:24,000 and 1:25,000)	Y	35
7	1:25,001 - 1:50,000	Scale of the related map or photo is not provided as a DISCRETE value in this list but is within the RANGE of 1:50,001 to 1:50,000 (note: discrete scale values listed in this range include 1:50,000)	Y	36
8	1:50,001 - 1:100,000	Scale of the related map or photo is not provided as a DISCRETE value in this list but is within the RANGE of 1:50,001 to 1:100,000 (note: discrete scale values listed in this range include 1:62,500, 1:63,360 and 1:100,000)	Y	37
9	> 1:100,000	Scale of the related map or photo is greater than but not equal to 1:100,000 (excluding discrete values listed in this table)	Y	38
UNKWN	Unknown/unspecified	Scale of the related map or photo is not known or is unspecified	Y	39
